Ask around. When you join Wind Gap Thunder, you join a soccer family. We strive to help guide your soccer player towards a higher level, **in hopes of seeing them on the high school fields** when they graduate from our program.

Uniform Policy: Several years ago, we adopted a uniform purchase program. When you register at Wind Gap for Recreational Travel soccer, you will purchase a uniform for your child through Prints Galore. The uniform will be yours to keep and take care of. This uniform can be used for as long as it is in good condition or your child can fit in it. The uniform can be used for spring and fall, and even indoor seasons, when offered. This has reduced costs considerably for the program and the families, as most players are getting 4+ years of use. Uniforms can be handed down to younger siblings!

Our home fields are the Plainfield Community Park at Kesslersville.
