

SKYWARD

DID YOU KNOW...you can download an app for Skyward onto your smart phone?

It's as easy as 1-2-3:

1. Go to your app store and search for "Skyward".
2. Download the free Skyward Mobile Access app.
3. Set up your account: Enter your zip code and choose Pen Argyl Area School District. Enter your login and password. You will be prompted to make-up a 4-digit number which will be your login for the mobile app.

You can access all of your child's information that is available when using a computer. Once you have logged into the app, choose "Family Access" to view your child's information.

In the event of an emergency, when you need a picture of your child, you can click on "Student Details" at the bottom of the menu to access your child's current school year picture.
